## Panasonic PDRC Ashtray In-Dash Solution with Locking Keyboard Arm

### Components

- In-dash mounting bracket, Panasonic PDRC mounting bracket, locking keyboard arm and universal keyboard tray

### Order Separately

- The In-Dash Mounting Solution **must be supported** by either the *Ergonomic Box* (Item No. MCS-ERGOBOX12) which provides additional radio mounting space or the *In-Dash Leg Support Assembly Brackets* (Item No. NP-PDRC-KITS) both are ordered separately

Weight	Height	Width	Depth
15.72 lbs	12.34" (PDRC Screen increases height by 1.88")	12.87"	20.53"

### Features

- Compatible with both 10.4" and 12.1" ToughScreens
- Design doesn't obstruct HVAC controls and provides easy access to the AM/FM radio & the trunk release button
- In-dash design attaches to the frame of the vehicle for system strength
- Display can tilt up to 95° forward from the dashboard and can be swiveled 30° toward the driver or passenger
- Keyboard arm locks into place with an audible click when pushed into stow position and has a push button release feature
- Keyboard arm can extend the keyboard 10" toward the driver or passenger and can be tilted down 10° to a positive lock or up 90° to clear electronics in the console box
- Keyboard can be attached using two different options:
  - Using the dual lock provided (dual lock is rated for 200° F)
  - Using the hole pattern specific to the Panasonic PDRC keyboard
- Keyboard underwent shock testing at MIL-STD-810G (75G, 8 millisecond) on all axes
- 3 year limited warranty
- Heavy gauge steel construction for long-term durability
- Black powdercoat finish for maximum corrosion resistance

Item No. **7160-0217**
