

Micro Internal/External Vehicle CCTV Camera with Discreet Tamper Resistant Design and 170° Wide Angle Lens

SVA021-S

Our smallest camera, just a tiny bit bigger than a sugar cube.

The camera is designed for Internal or External use in all types of vehicles.

The camera is tamper resistant.

The 170° wide angle lens and miniature size make it ideal for discreet use as a:

- Forward Facing Accident Camera
- Rear Facing Camera

SVA021-S is compatible with the SmartWitness KP1 & SVC400 recorders. 2.5mm stereo connection cable provides video & power to KP1 ch2 input and SVC400 ch1-3 input, for simple installation.
