BEFORE YOU BEGIN

- Please unpack the box carefully and identify that all the parts are present.
- The camera is suitable for indoor or outdoor use.
- Make sure you use the recommended power input. Damage caused to the camera by incorrect voltage is not covered by the warranty.
- Do not attempt to open the casing to access the camera. Damage caused to the camera by tampering with the camera casing is not covered by the warranty.

Product Description

The SVA025-S is a high quality Day/Night camera with 120° viewing angle and 10 metres IR night vision. It is designed for internal mounting inside a vehicle to watch the contents/occupants during the day or night. The camera can also be mounted externally and is ideal for viewing the area to the rear of a vehicle.

It features heavy duty casing for extra durability. Supplied complete with 5 metres of cable for easy installation.

The SVA025-S can be used with the Smart Witness 4 Camera Vehicle Journey Recorder (Model: SVC400GPS) or KP1.

Features
