DOCKING STATIONS AND VEHICLE MOUNTS

## Ergonomically Designed Console Box

The space-saving, ergonomically designed console box can be used in any fleet vehicle. It positions your communications equipment in a perfect location for easy control access and viewing.

- Heavy gauge steel construction with rounded edges for sleek appearance and added safety
- May be mounted towards the dash of any vehicle creating added space between the seats for other equipment.
- The enclosed design enables communication equipment to be stored securely and safely.
- Pre-drilled holes for *computer mounting bracket* (Item No. MCS-COMBRKT) for added versatility.

Additional comfort items like our dual cup-holder, flip-up padded armrest, task light and other accessories can also be purchased.
