

MOBILE LAPTOP
COMMUNICATE ON THE MOVE WHEN EVERY MINUTE COUNTS

ML 850

**INTRODUCING THE HIGHLY
PORTABLE SOLUTION FOR HIGH
PRESSURE SITUATIONS**

The Motorola Mobile Laptop 850 (ML 850) is a critical tool for mission-critical situations. This rugged performer offers an exceptional combination of portability, accessibility and versatility. It's mobile and ruggedized. Lightweight and loaded with heavy-duty computer capabilities. Easily docked in a vehicle and conveniently carried on scene.

Send or receive any kind of data, in any emergency, anywhere with ease. From blueprints to fingerprints, mugshots to messages, images are clearly defined and immediately viewable on the sunlight readable, high resolution LCD screen.

Based on the Intel® Centrino® platform, the ML 850 is compact, high-powered and super portable. This mobile laptop is the perfect mission-critical tool for the user on the move.

**PAIR YOUR PORTABLE
WITH QUALITY MOTOROLA
ACCESSORIES:**

Make the right move for mission-critical mobility

**FULL SPECTRUM
OF SOFTWARE**

The ML850 runs Windows® 2000 and Windows® XP as well as all Motorola Public Safety software, including Fireground, AirMobile™, Premier™ MDC and TxMessenger. Its powerful processing capabilities assure instant access to any number of software programs.

**VERSATILE
VEHICLE MOUNT**

Use the ML 850 in or out of a vehicle without having to power it up or power it down. Integrated hot docking capabilities mean it can be carried at a moment's notice. A stand alone dock is also available.

SUPPORTS MODS

Use the ML 850 in tandem with a fix-mounted Motorola display and keyboard and the laptop acts as a CPU, offering the best of fixed and portable solutions.

FLEXIBLE CONNECTIVITY

1 PCMCIA Type II CardBus, 1 serial COMport, 2 USB 2.0 ports, 1 VGA port, 1 DC input, 1 shrouded hot-docking port, 1 56Kbps sw modemport, 1 100 Base-T LAN Module, Audio in/out ports.

POWERFUL PORTABILITY AND PROVEN DURABILITY

The ML 850 works where you do: enroute, on scene, in an office, or mounted in a vehicle. And it's ruggedized to withstand the most rigorous climatic conditions and user demands. Fully sealed, it meets Military Spec Standards (MIL STD 810F) and Motorola's strict standards for reliability and quality.

HIGH-RESOLUTION, SUNLIGHT READABLE SCREEN

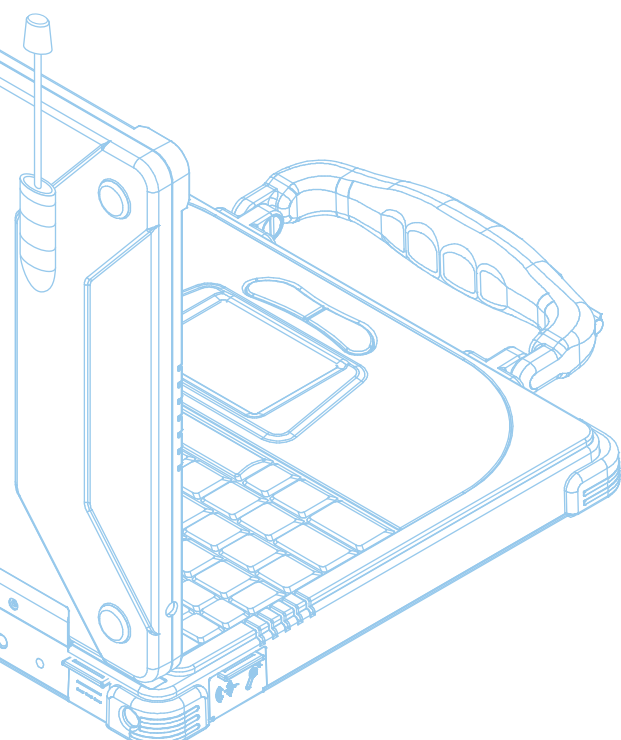

View high quality, detailed graphical images, fingerprints and mugshots clearly in direct sunlight, with the high-resolution 12.1" LCD screen. A convenient, finger-friendly keyboard provides for rapid inputting of messages and data.

HIGH-SPEED COMPUTER CAPABILITIES

With a high-capacity shock mounted hard drive and powerful Intel® processing power based on the Centrino® architecture, with standard integrated Wireless Local Area Network (WLAN), the ML 850 is the radio-driven compact laptop that handles a vast array of data quickly and seamlessly. It provides real-time information, right when you need it.

*1 PS/2 port
