The **Prima Facie® Body Worn Camera by Safety Vision** is the evidence-capturing device that never fails to provide a first-person point of view. Exhibiting the ability to record video, take high resolution stills, or only record audio, the Prima Facie always offers the most appropriate evidence collecting solution. With the integrated color LCD screen and speaker, recorded audio, video, and still pictures can instantly be reviewed. A Prima Facie body camera is one of the least expensive pieces of equipment a user can have on their body or in their car, and it provides maximum value. Rest assured, your new Prima Facie was designed to help law enforcement users maintain a safe and secure chain of evidence. Recorded data can only be downloaded to an authorized computer and internal storage prevents evidence tampering. Use the included docking station to easily download captured files or charge your Prima Facie.
