Take control and experience a revolution in boating entertainment with the Simrad SonicHub™, the world's first marine audio hub and docking station using a stunning high definition, waterproof color display.

SonicHub™ makes your music more accessible when on the water, with a direct link to your entire music collection via your iPhone, iPod, iPod touch or USB device, without the need for a stereo head unit. You can also catch the latest weather forecasts or listen to your favorite radio show through the built in AM/FM tuner.

Featuring four 50W per channel high power amplifiers, SonicHub™ gives you a sensational sound and visual control experience. Simple to install, SonicHub™ integrates seamlessly with Simrad NSE high-resolution, color display screens with intuitive and stylish graphical user interface.

Enjoy high quality sound with a system specifically designed for the challenging marine environment. The unique docking station provides a safe and waterproof casing, protecting your Apple or USB device from the elements.

SIMRAD

Master your music with Simrad SonicHub™

SonicHub™ integrates flawlessly with award winning Simrad NSE multifunctional displays to provide the exceptional quality and performance you would expect from any Simrad product.

Entertainment at your fingertips

The stunning design combines with a simple to operate user interface, so that audio functions can be operated at the touch of button on either 8- or 12-inch high definition screens.

In keeping with the award winning Simrad NSE user interface, selecting and playing music with your Simrad SonicHub™ via familiar menu systems and icons couldn't be simpler.

Simrad SonicHub™

Multi-Zone technology

Perfect for the larger vessel, the Simrad SonicHub™ system provides multi-zone technology, offering independent sound control in up to three areas onboard.

So whether you're bathing on deck, relaxing in the saloon or dining al fresco, multi-zone technology gives you access and control over your music using large screen, sunlight viewable displays.
